ASTRAL EDUCATION: Personalized UGC NET Coaching Institute for Students

Vishakha, a UGC NET exam aspirant from Bangalore had a passion for teaching and in the attempt to do so she was in search of a UGC NET coaching class. Thereafter enquiring with several coaching classes and talking to people she came across ASTRAL EDUCATION, India's No.1 institution for UGC NET Coaching. She got in touch with them and after being convinced, she was willing to join their coaching classes. But unfortunately she had a lot of responsibilities back home and a small child to take care. Hence was not in a place to opt for classroom coaching.

To her surprise ASTRAL EDUCATION had introduced online coaching classes in 2005 to help students residing at far of places across India and this was exactly what she was looking for. She enrolled herself to online coaching, after making child sleep, she used to attend the class. On weekends she was found clearing doubts, revising, and giving mock test. This altogether provided her a customized learning experience. After completion, she appeared for the exam and cleared it in the first attempt and attained JRF. "This gave us a solid boost, distance or geographical boundaries were not at all the

limitations for any students who are willing to learn. The only thing one needs is a correct guidance that will embark students to go ahead in their endeavors," speaks Rakesh Mehta, MD, ASTRAL EDUCATION.

ASTRAL EDUCATION initially had few students with them. Then randomly responses in their personal or personal life of the students, ASTRAL EDUCATION constantly strives to be there for those students who are aspires to clear NET exam. They have a strong social media presence specially on Facebook through which they keep the students updated and posted about the latest developments on UGC NET exams and provide PhD, M. Phil & Job Alerts.

A 360-degree Approach

Being flexible in their approach, ASTRAL EDUCATION offers classroom coaching, online coaching, Direct To Home (D2H) coaching and has more than 200+ faculties working with them in Full / Part Time mode. For those students who are comfortable studying on their own, ASTRAL's study materials which is designed in such a way that it provides students a gateway to clear NET exam. They also provide discounts to students who belong to categories, to females & also to defense person dependents so that they are benefited out of their services. Be it help in accommodation of students from far of places

" ASTRAL EDUCATION is destined to provide personalized solution to its students who are aspired to clear NET exam "

materials, undoubtedly, ASTRAL EDUCATION is destined to provide personalized solution to its students who are aspired to clear NET exam.

Taste of Success

Team ASTRAL believes in combined effort and are passionate in providing quality services to students across PAN India. Maintaining a perfect database system of students, including the Class Schedule Alert, Test Score Keeping, Performance Evaluation and Attendance Management of the student, they know how to manage. "Our mentors have always been our parents and teachers & above all, experience is the best mentor. Our student's success will always keep us motivated. Every day we evolve ourselves as a better institute, creating innovative platforms to students, so that, this enhances quality in every aspect," concludes Rakesh.
